**(An Autonomous Institute, with NAAC "A" Grade)
Affiliated to DBATU, RTMNU & MSBTE Mumbai**

VISION	MISSION
To be a center of excellence imparting professional education satisfying societal and global needs.	1. Transforming students into lifelong learners through quality teaching, training and exposure to concurrent technologies. 2. Fostering conducive atmosphere for research and development through well equipped laboratories and qualified personnel in collaboration with global organizations.

Guidelines for Kaushal Setu: JD Skills Internship

Rationale: In the ever-changing landscape of placement scenarios, there is an urgent need to keep pace with the dynamic nature of students' employability. The Kaushal Setu initiative is an effort to impart hands-on skills to the students in select domains in the purview of the college. The selected 2nd-year students entering the 3rd year shall be part of the college's Kaushal Setu initiative. The students who do not opt for in house intern ship shall approach other organizations approved by the competent college authorities.

The expected outcome of Kaushal Setu:

1. To enhance the critical thinking abilities of the student.
2. To develop problem-solving skills of the students.
3. To provide exposure to handle real-world challenges.
4. To develop the skill inventory of the students.

Guidelines for students (Interns): Opting for inhouse internship

Timeline:

- Commencement of Internship: After the end of IV semester End Semester Examination.
- Conclusion of Internship: Before the commencement of the V semester.
- Mode of Internship: Hybrid

Guidelines & Modalities:

1. Students who have consented to undertake the internship under JD Skills must report to their assigned mentor/guide on the first day without fail.
2. Students will be added to domain-wise WhatsApp groups created by mentors for effective communication.
3. Upon assignment of the problem statement, students must work diligently under the guidance of their mentor.
4. The internship will not follow a traditional "chalk and talk" approach; it will be application-oriented.
5. Students are encouraged to engage in self-learning through online platforms recommended by mentors and gain conceptual clarity.
6. Students must maintain an Internship Diary as per the prescribed format for proper documentation and compliance.

VISION

To be a center of excellence imparting professional education satisfying societal and global needs.

MISSION

1. Transforming students into lifelong learners through quality teaching, training and exposure to concurrent technologies.
2. Fostering conducive atmosphere for research and development through well equipped laboratories and qualified personnel in collaboration with global organizations.

7. A minimum of 2–3 contact hours per week (or as decided by the mentor) must be completed.
8. For hardware-based domains, tasks must be carried out only in the designated laboratories.
9. Students are responsible for the proper handling and safety of equipment used during the internship.
10. College bus facilities may be availed on select routes, if required.
11. Internship assessment will be conducted in the first week after the commencement of classes, post summer break.

Evaluation Criteria:

- Internship Certification
- LeetCode/(Equivalent Platform) Profile Update:
- Participation in 6-hour “JD Skill Challenge” conducted by the college as part of the evaluation for a credit award.
- Minimum 20 problems to be solved
 - 10 Medium-level problems
 - 10 High-level problems

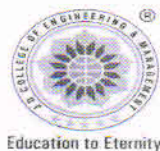

The students who will be pursuing the internship outside the college shall strictly adhere to the following:

The students shall approach the following organizations, but not limited to:

1. Government internships:

- PM Internship
- CM Internship
- LAMP
- NITI Ayog
- ISRO
- DRDO
- NEERI
- IITs, NITs,
- IIMs

VISION

To be a center of excellence imparting professional education satisfying societal and global needs.

MISSION

1. Transforming students into lifelong learners through quality teaching, training and exposure to concurrent technologies.
2. Fostering conducive atmosphere for research and development through well equipped laboratories and qualified personnel in collaboration with global organizations.

- NMC, NIT
- Cyber Cell of Maharashtra Police and other government organizations.

2. Private Sector organizations:

- Tier I/ Tier II IT/ITES companies
- The organizations having the necessary government permission to operate/carry out internship, ready to offer internship for the above-mentioned duration, ready to offer minimum stipend or the monthly fuel expenses, whichever is deemed fit by the organization.
- The organizations with potential for future job opportunities or networking.
- The internship from the training provider companies will not be considered.
- The mentors will check for the authentication / validation of the companies for the internship, visit the location and initiate the MOUs (if possible) to be signed between the Institute and the company.

Location: PAN India

Note: If the student gets the internship in govt. organization or tier 1 company for more than 1-month duration can avail the same with prior permission of the competent authorities. In such case, the concerned student shall be provided certain exemptions in continuous assessment of the college.

Flow of outside college internship:

1. Submission of shortlisted organizations by students. (One month after the commencement of the 4th Semester or earlier)
2. Seeking Letter of Intent/Permission Letter. (Within one week of submission of the shortlisted companies list)
3. Verification of the organization's credentials. (To be issued and verified by the department, duly endorsed by the respective Head of Department, Central Internship In charge, Training Placement Officer and Principal).
4. Letter of confirmation/MOU with the company mentioning non-financial commitment from the students in the form of any fees or charges.
